ABOUT OCTA.B

Mrs. Ziyanda Ntisa, a devoted wife of over ten years and a proud mother of three beautiful daughter, a passionate founder of Octa.B.

She is a born-again Christian who loves God wholeheartedly. Her faith is the foundation of her life and business. Mrs. Ntisa holds a Higher Certificate in Social Sciences from the University of South Africa. Her journey into natural wellness began from a deeply personal place—watching her beloved mother suffer from multiple chronic illnesses.

Determined to help, she searched for a natural way to support her mother's health. Her discovery of Superfoods changed everything. Not only did it make a significant difference in her mother's healing journey, but it also inspired a calling: to help others experience the same breakthrough.

In honor of her mother's strength and healing, she founded Octa.B, a company rooted in compassion, wellness, and faith. She believes that just as God helped her mother, He will use this company to bring hope and health to many more.

Through Octa.B, Mrs. Ntisa is committed to providing natural, high-quality products that promote self-care, wellness, and a better life for all. **Founder: Mrs. Ziyanda Ntisa**
